Mr. Matt Schnepf  
State Hazard Mitigation Officer  
Michigan State Police  
Emergency Management and Homeland Security Division  
4000 Collins Rd  
Lansing, MI 48910

Dear Mr. Schnepf:

Thank you for submitting the adoption documentation for the Village of Estral Beach Hazard Mitigation Plan. The plan was reviewed based on the local plan criteria contained in 44 CFR Part 201, as authorized by the Disaster Mitigation Act of 2000. Estral Beach met the required criteria for a single jurisdiction hazard mitigation plan and the plan is now approved for the Village of Estral Beach.

The approval of this plan ensures continued availability of the full complement of Hazard Mitigation Assistance (HMA) Grants. All requests for funding, however, will be evaluated individually according to the specific eligibility and other requirements of the particular program under which the application is submitted.

We encourage the Village to follow the plan's schedule for monitoring and updating the plan, and continue their efforts to implement the mitigation measures. The expiration date of the Village of Estral Beach Plan is five years from the date of this letter. In order to continue project grant eligibility, the plan must be reviewed, revised as appropriate, resubmitted, and approved no later than the plan expiration date.

Please pass on our congratulations to Estral Beach for this significant action. If you or the community has any questions, please contact Kirstin Kuenzi at (312) 408-4460 or [Kirstin.Kuenzi@fema.dhs.gov](mailto:Kirstin.Kuenzi@fema.dhs.gov).

Sincerely,

Christine Stack, Director  
Mitigation Division
